As a part of the XMERON 2022, there was a talk by the alumni of CSE Ms. Anisha T S who was 2016 pass out. Ms. Anisha is working as a Senior Product Engineer in Larsen and Toubro Infotech. The welcome address was done by the Secretary Mr. Muhammad Hussain A, student of S5 CSE. The session was attended by all the students of the department of CSE. The talk was made on "The Basics on Natural Language Processing". It was a very interactive session which imparted knowledge about the trends in NLP. She also gave an insight about the skills that one must acquire to pursue a good career in this area. Many suggestions were made by her in organizing events through XMERON that will help students to learn about the industry expectations. Acceptable advices were given by the alumni Ms. Anisha for the coming batches. The session was very useful as it was very impressive and casual than a formal talk. The session was concluded by the Joint Secretary Ms. Anagha P Nair of S3 CSE.
