

Energy Management Department Government of Kerala Rally on 27th July 2022

The NSS unit 251 of Jawaharlal College of Engineering and Technology welcomes clean energy rally on 27th of July. The rally was organized by NSS Cell of APJKTU and Energy Management Department Gov. of Kerala and was conducted between 3 to 4 in front of the college where all the NSS volunteers actively participated. As prayer is an important way to experience God as the religious believer, we started the program with manavagedham which was sung by our NSS volunteer. Then the program was followed by the welcome address which was delivered by the NSS Programme Officer Mr. Thomas Joseph. Sir welcomed our respected principal, and all the volunteers to this program. Dr. N Gunashekar, respected principal of JCET felicitated the gathering. Then the members of energy management cell started the program by displaying a video followed by a quiz competition. All the winners were given prize as well. It was a unique experience to be there and the program ended up successfully.
