VISION

Emerge as a Centre of excellence for professional education to produce high quality engineers and entrepreneurs for the development of the region and the Nation.

MISSION

- To become an ultimate destination for acquiring latest and advanced knowledge in the multidisciplinary domains.
- To provide high quality education in engineering and technology through innovative teaching-learning practices, research and consultancy, embedded with professional ethics.
- To promote intellectual curiosity and thirst for acquiring knowledge through outcome based education.
- To have partnership with industry and reputed institutions to enhance the employability skills of the students and pedagogical pursuits.
- To leverage technologies to solve the real life societal problems through community services.

STRATEGIC PLAN

Jawaharlal College of Engineering and Technology (JCET) aspire to achieve its Vision and Mission by formulating a distinguished strategic plan and its implementation. The institution aims to acquire University Status by adopting the following strategies.

- All Programs are to be accredited by the National Board of Accreditation (NBA).
- Attain highest score in National Assessment and Accreditation Council (NAAC).
- Reaffirming Industry Institute Interaction by entering into MoU with reputed firms.
- Strengthening Research Contributions from students and faculty by mobilizing funded projects.

- Focusing on nurtured start-up initiatives by the students to develop as successful entrepreneurs.
- Promoting research publications, product patenting and acquiring IPR through consistent efforts.
- Securing good rank at the national level as assessed by National Institutional Ranking Framework (NIRF)
- Accomplish Autonomous Status
