Tribute to our beloved

FOUNDER CHAIRMAN

Late. Shri. P. K. Das

(F.I.E., F.I. Mech. E., M.S. Engg., A.F.R.Ae.S. (London), C.Engg.)

To provide high quality excellent education in the arena of technical and professional education and to impart knowledge in a structured fashion to the student community, Late. Shri. P.K. Das established the Nehru College of Educational and Charitable Trust in the year 1968. Being a man of great vision, commitment, perseverance, dedication and devotion, he pioneered revolutionary and innovative thoughts to revamp technical and professional education in the private sector. He was committed to the cause of the poor and social welfare and undertook various initiatives such as donating wheel-chairs, tailoring machines, and tricycles to the physically challenged, providing free education and medical treatment to the backward class, and donating homes for the homeless.

The trust also has constituted over a thousand scholarships and awards for the needy children from various orphanages and schools in and around Coimbatore. The elegance of work culture and charisma instilled by the Chairman still continues to vitalize the synchronized progress of the Nehru Group of Institutions, making it a prestigious centre of learning and research. Let us all be blessed by the might of this great soul, who undoubtedly illuminates our path towards greater glory and success.

सत्यमेव जयते

PLEDGE

India is my country.

All Indians are my brothers and sisters.

I love my country, and I am proud of its rich and varied heritage.

Shall always strive to be worthy of it.

I shall respect my parents, teachers and all elders and treat
everyone with courtesy.

To my country and all my people, I pledge my devotion.

In their well-being and prosperity alone lies my happiness.

Message From The Principal

Prof. Dr. N. Gunasekaran

B.E.M.E, PhD, FIE

Jawaharlal College of Engineering and Technology inceptioned in the year 2008 by Late. Shri. P.K.Das, Founder Chairman of Nehru College of Educational and Charitable Trust. JCET has been conferred Autonomous by UGC and it has UG and PG programmes approved by AICTE, New Delhi and Affiliated to APJ Abdul Kalam Technological University, Kerala. This institution provides the required academic ambience for the development of students into tomorrow's citizens with inter-disciplinary skills. JCET strives to provide the platform for creativity, innovation and start-up through the NGI Technology Business Incubator.

This institution provides the inputs through the classroom activities, mini-projects, projects, industrial visits, industrial training and internships with industry interaction. The learning environment is unique and develop students physically, intellectually and emotionally. Students have a lot of opportunities to face the challenges of leadership through the series of activities. Cultural Festival, Technical Festival, Industry Focussed Seminars and Extra-Curricular activities not only on physical platforms but also with digital platforms. I am sure that the institution transforms ordinary people to do extraordinary things.
