CIRCULAR

Sub: Payment of APJAKTU Suraksha Scheme Renewal Fee – Reg.

As students of Autonomous Colleges generally do not access the APJ Abdul Kalam Technological University (APJAKTU) Portal during the intermediate semesters, since the respective institutions manage semester enrolments, the University has decided that **the Suraksha Scheme renewal fee for Semesters S3, S5, and S7** shall be remitted by the respective Autonomous Colleges on behalf of the students through the institution login of the University Portal.

Accordingly, all UG and PG students (except S1) are directed to remit **₹100/-** (Rupees One Hundred only) towards the APJAKTU Suraksha Scheme Renewal Fee at the College Office.

The Suraksha Scheme renewal fee is collected annually during the programme until the successful completion of the course, thereby ensuring continuous coverage and uninterrupted renewal of the Scheme.

All students shall remit the prescribed fee at the College Office **on or before 25.07.2026**. Failure to remit the renewal fee within the stipulated time may result in interruption of the Suraksha Scheme coverage.
