executed on 14<sup>th</sup> March, 2024 (Effective Date),

M/s KONFIDENCE, 46/758, Link Retreat, Vennala (P.O), Kochi – 682028 (hereinafter called 'Trainers') represented by its Managing Partner, Mr Kishan Kumar VL., is engaged in the business of providing training for various Aptitude Tests having its office at 46/758, Link Retreat, Vennala, Kochi 682028

AND

JAWAHARLAL COLLEGE OF ENGINEERING AND TECHNOLOGY Jawahar Gardens, Lakkidi, Mangalam, Ottapalam, Kerala 679301 (hereinafter called JCET) represented by Adv. Dr. P. Krishnadas, Chairman and Managing Trustee, Jawaharlal College of Engineering and Technology, is an educational institution offering professional courses in Engineering with its campus in Lakkidi, Mangalam, Ottapalam, Kerala 679301.

That the trainers have approached JCET, seeking permission to conduct an Aptitude Test Preparation training programme at the JCET campus for the BTech Students spread over 4 semesters.

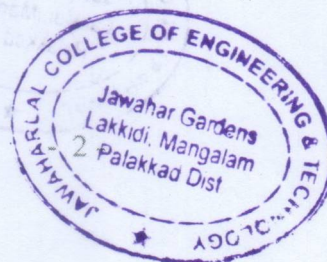

After discussions it has been mutually agreed upon by the parties that trainers shall conduct an Aptitude Test Preparation training programme for the BTech students at the campus of JCET with their own panel of faculty members and by providing necessary course materials to the students. The facilities like Classrooms, LCD projectors and other on-campus facilities shall be provided by JCET on request from the Trainers.

### Terms and conditions:

1. The duration of the training programme shall be 10 days for a particular pass-out batch. The complete training for a batch shall be offered over two calendar years with 5 days each in a calendar year. It shall be provided as Three days in Semester 4 + Two days in Semester 5 + Three days in Semester 6 and Two days in Semester 7. (Each day of training shall be 5½ to 6 hours)
2. The five days of training during a calendar year shall be offered on mutually convenient dates split as 3 days during the even semester (for 4<sup>th</sup> Semester and 6<sup>th</sup> Semester students from January to May) and 2 days during the odd semester (for 5<sup>th</sup> and 7<sup>th</sup> semester students from July to November).
3. The students shall be divided into batches of appropriate numbers by JCET, with a maximum of 70 students per batch.
4. The training shall be offered by the trainers to students of each pass-out batch grouped into four batches.
5. The term of this MOU shall commence from the Effective Date and shall continue to be valid for period of 3 years ("Term") unless terminated earlier in accordance with the terms of this MOU.
6. JCET has the right to terminate the MOU at any time by providing one-month prior notice to the trainers.
7. The trainers shall conduct a minimum of 4 Model Aptitude tests for the participating students during each calendar year (2 Years x 4 Tests = 8 Tests over the entire training period for a batch) and publish the results during or after the training programme.
8. Trainers agree to use the Premises of the JCET exclusively for conducting the training program only and agree to take care of the attachments, accessories, establishments, and infrastructure of the JCET Premises.

*K. K. K.*

*N. J.*

9. The Trainers shall ensure that their staff, workers, students etc., maintain disciplined behaviour and they shall not in any manner cause any interference, annoyance or negligence to the JCET.

10. The Trainers shall indemnify JCET against any claim, loss, damage etc. occurred or caused to JCET due to the wilful acts or omissions, carelessness or negligence on the part of Trainers, and any of the representatives or employees of the Trainers.

11. As the campus placements start for the BTech final year students during their 7<sup>th</sup> semester, the trainers shall offer a minimum of 5 Online Tests for practice to the students of the 7<sup>th</sup> semester through their online test platform PraKtiz and provide the feedback to the JCET Training and placement officer. These tests shall be offered online and outside the training hours during the BTech 7<sup>th</sup> semester.

12. The payment for the training to the trainers shall be approved and provided by JCET on the respective invoice raised by the trainers and as follows:

Payment of Rs 1,68,000/- (Rupees One Lakh Sixty-Eight Thousand only) (Rs 14,000 per batch per day x 4 batches x 3 days) on completion of 3 days of training in the 4<sup>th</sup> Semester

## REPORT ON THE IEDC IEDC SUMMIT- 2023 AND PRODUCT EXPO

Title: IEDC SUMMIT 2023

Date(s): 04-03-2023

Chief Guest(s): Shri. P. Rajeev, Minister for industries, Law and Coir Government of Kerala and Shri. Kochouseph Chittilappilly, Founder & Chairman, V-Guard Industries.

Event Coordinators: IEDC, Kerala Start-Up Mission [KSUM], Kerala and Rajagiri School of Engineering and Technology, Kakkanad

Total Participants: 27

### **Description of the program:**

IEDC SUMMIT 2023, organized by Kerala Start-Up Mission [KSUM] and hosted by Rajagiri School of Engineering and Technology, Kakkanad. A team of 27 students and Nodal officer have been attended the Asia's largest IEDC Student SUMMIT. Also the participation for product exhibition called KITE, from JCET was extremely well. There was a good explanation and effort in making those products by our students. Many peoples were got attracted with our innovative products as well. Students gained knowledge through explaining the product in the KITE and also Students could attend various of technical events and talk session during the summit

### **Feedback about the program:**

The program was well organised by the coordinators and was vibrant and efficient in nature. Most of the students commented on the resource person and the faculties that made such an event possible. The students also learned a great deal about the topic of the program and were happy about the topic of selection.

# THE EFFECT OF THE LIBERATION WAR ON THE ECONOMIC DEVELOPMENT OF VIETNAM

By NGUYEN VAN THUAN

Ph.D. Thesis, University of London, 1975

The purpose of this study is to examine the impact of the liberation war on the economic development of Vietnam. It is argued that the war has had a profound effect on the country's economic structure and growth.

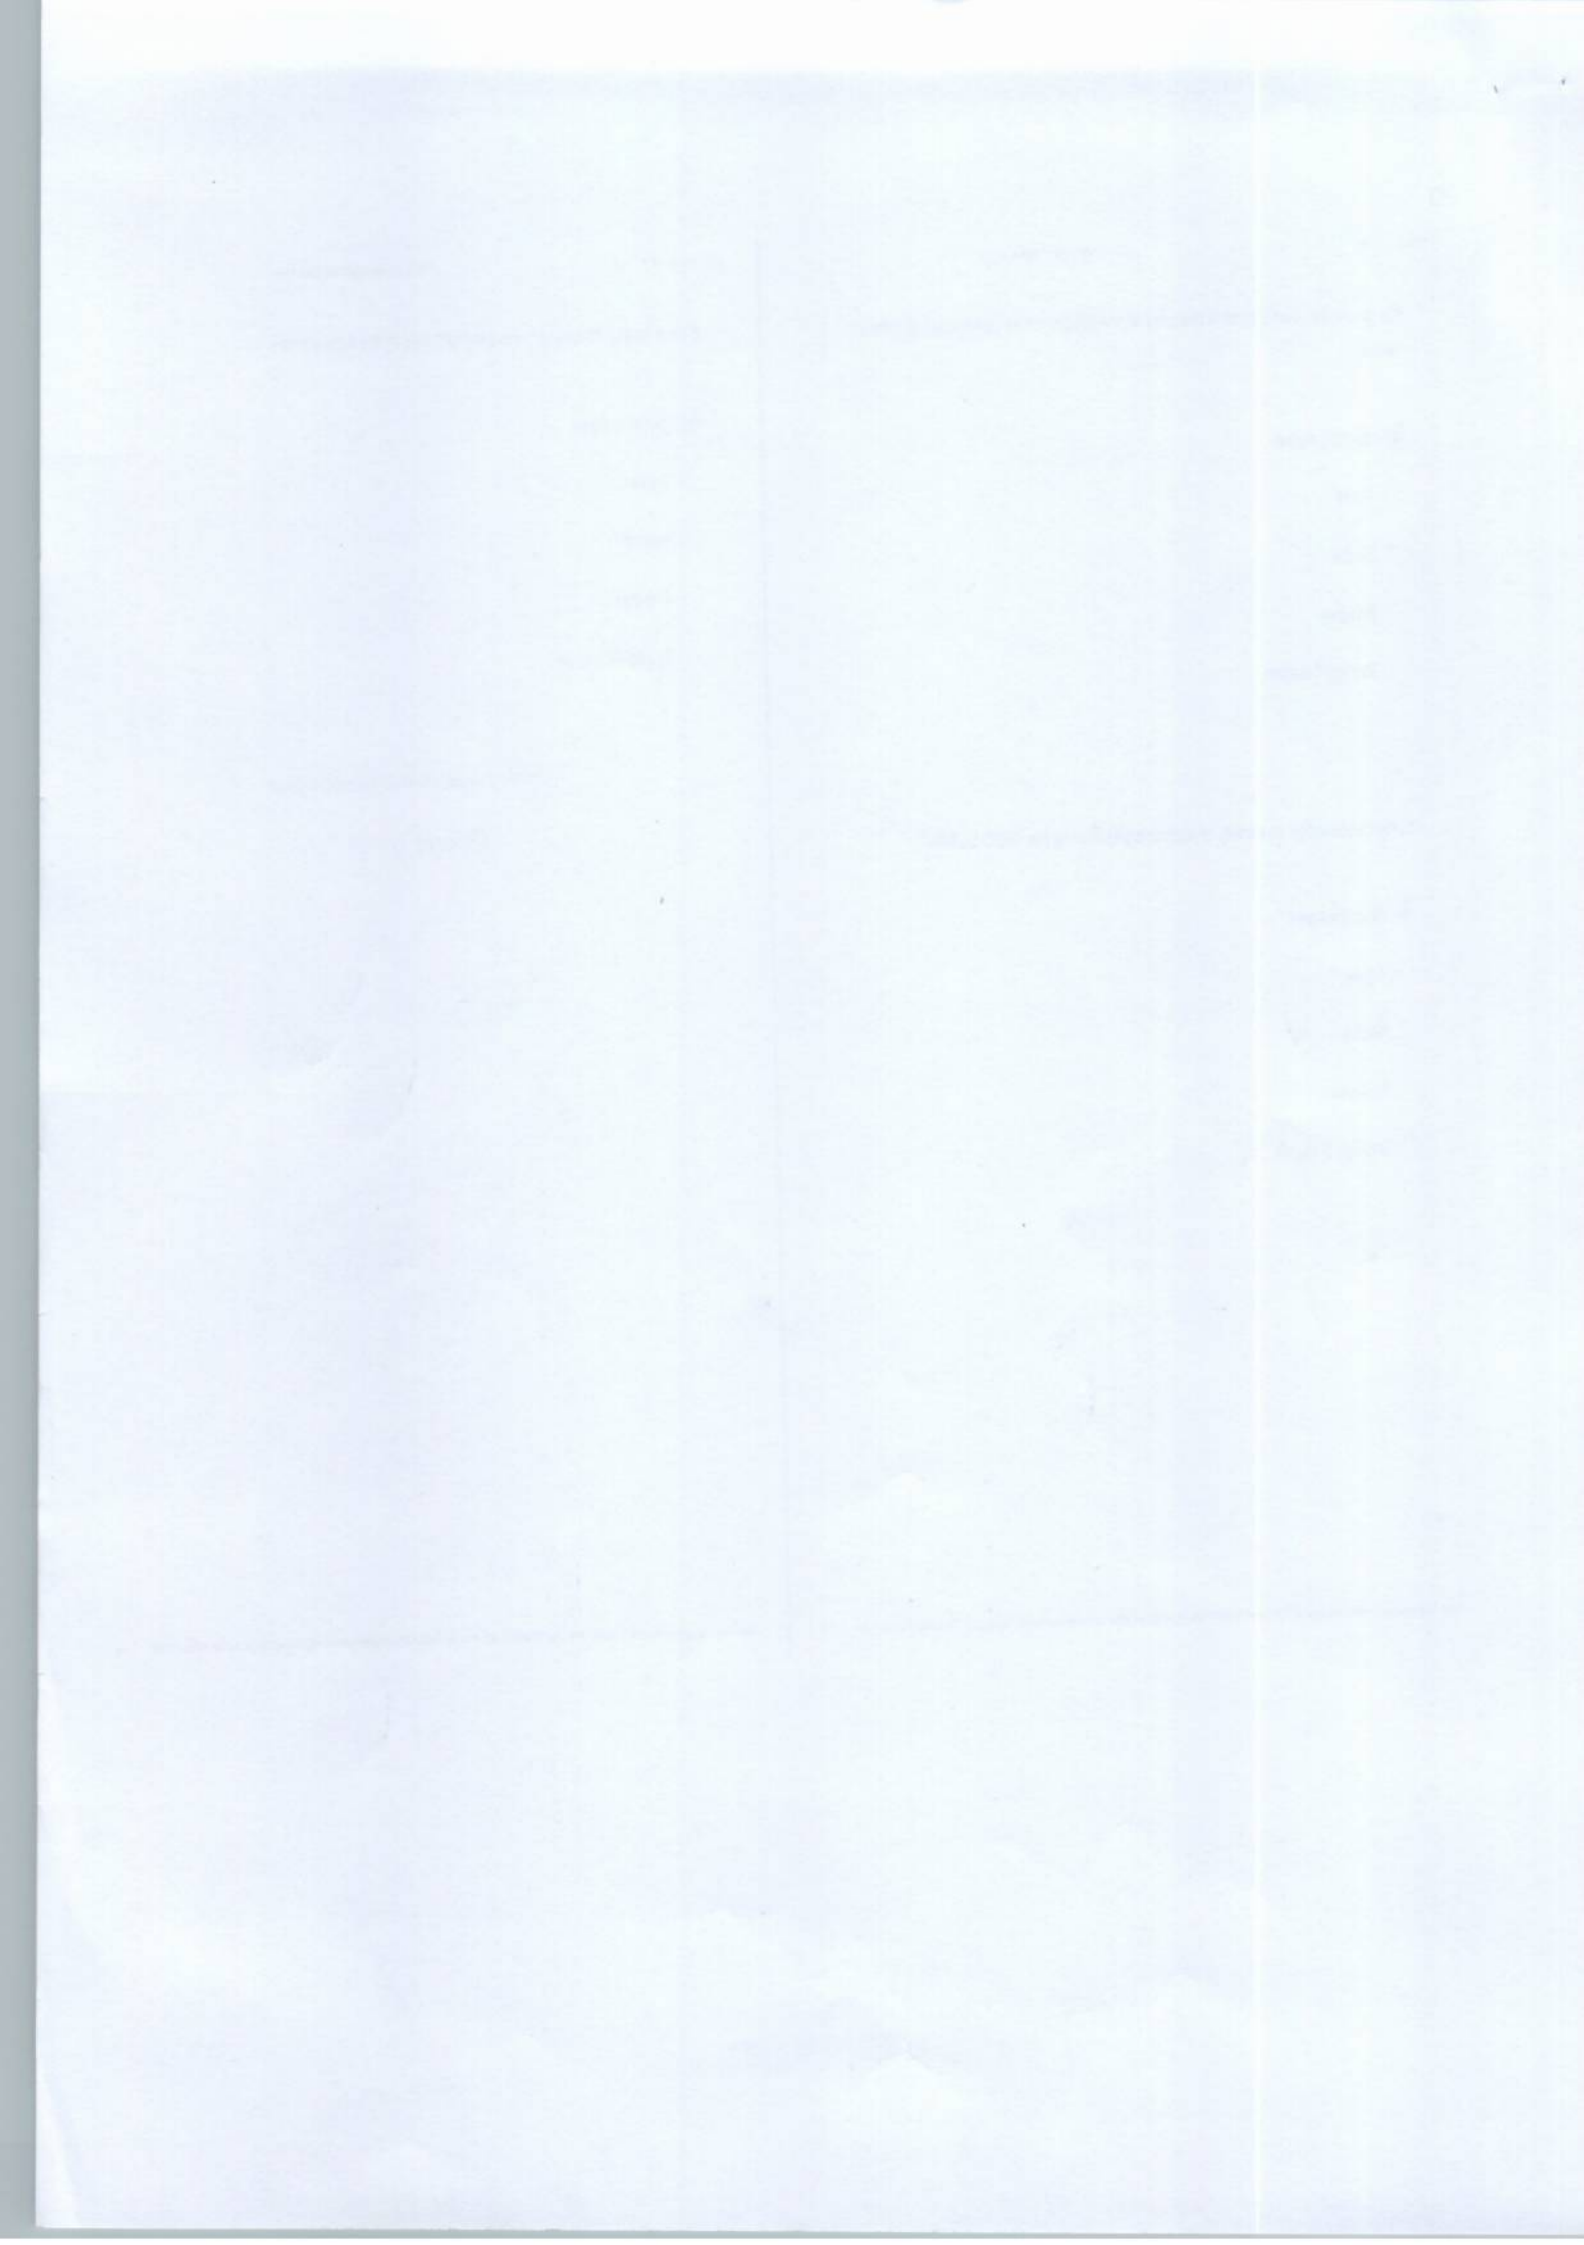

The study is divided into three main parts. The first part discusses the economic situation in Vietnam before the war. The second part examines the impact of the war on the economy. The third part discusses the economic development of Vietnam after the war.

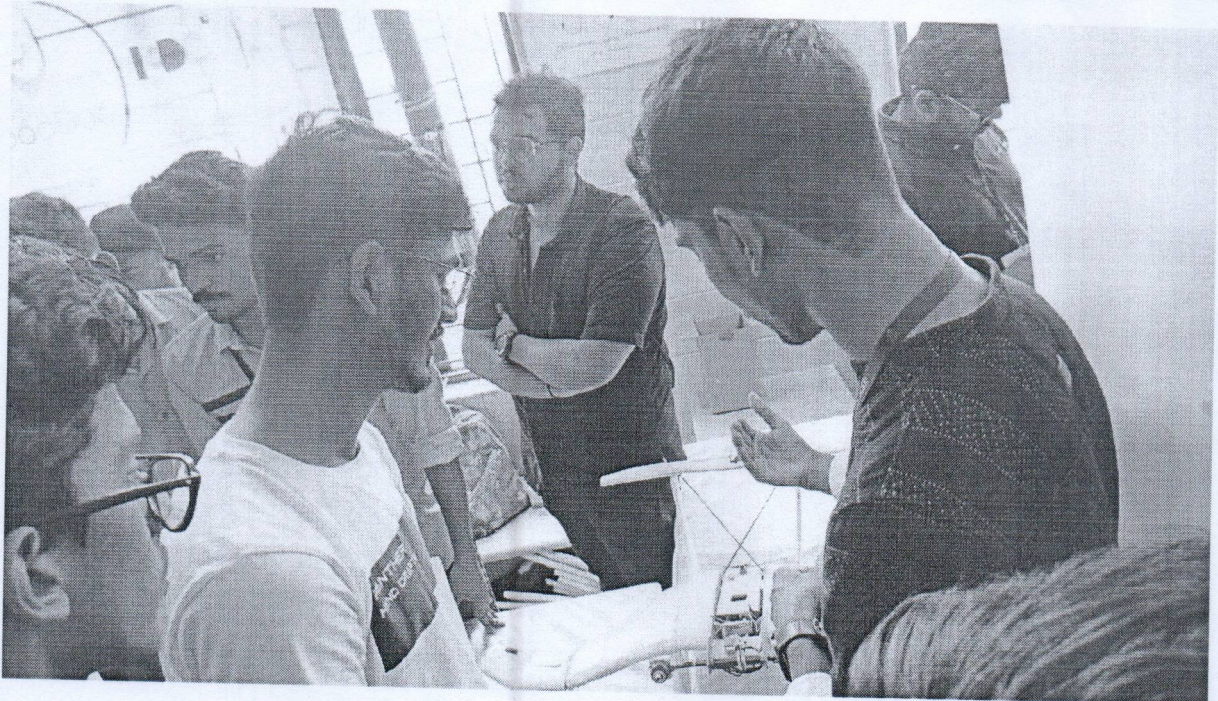

## 1. Introduction

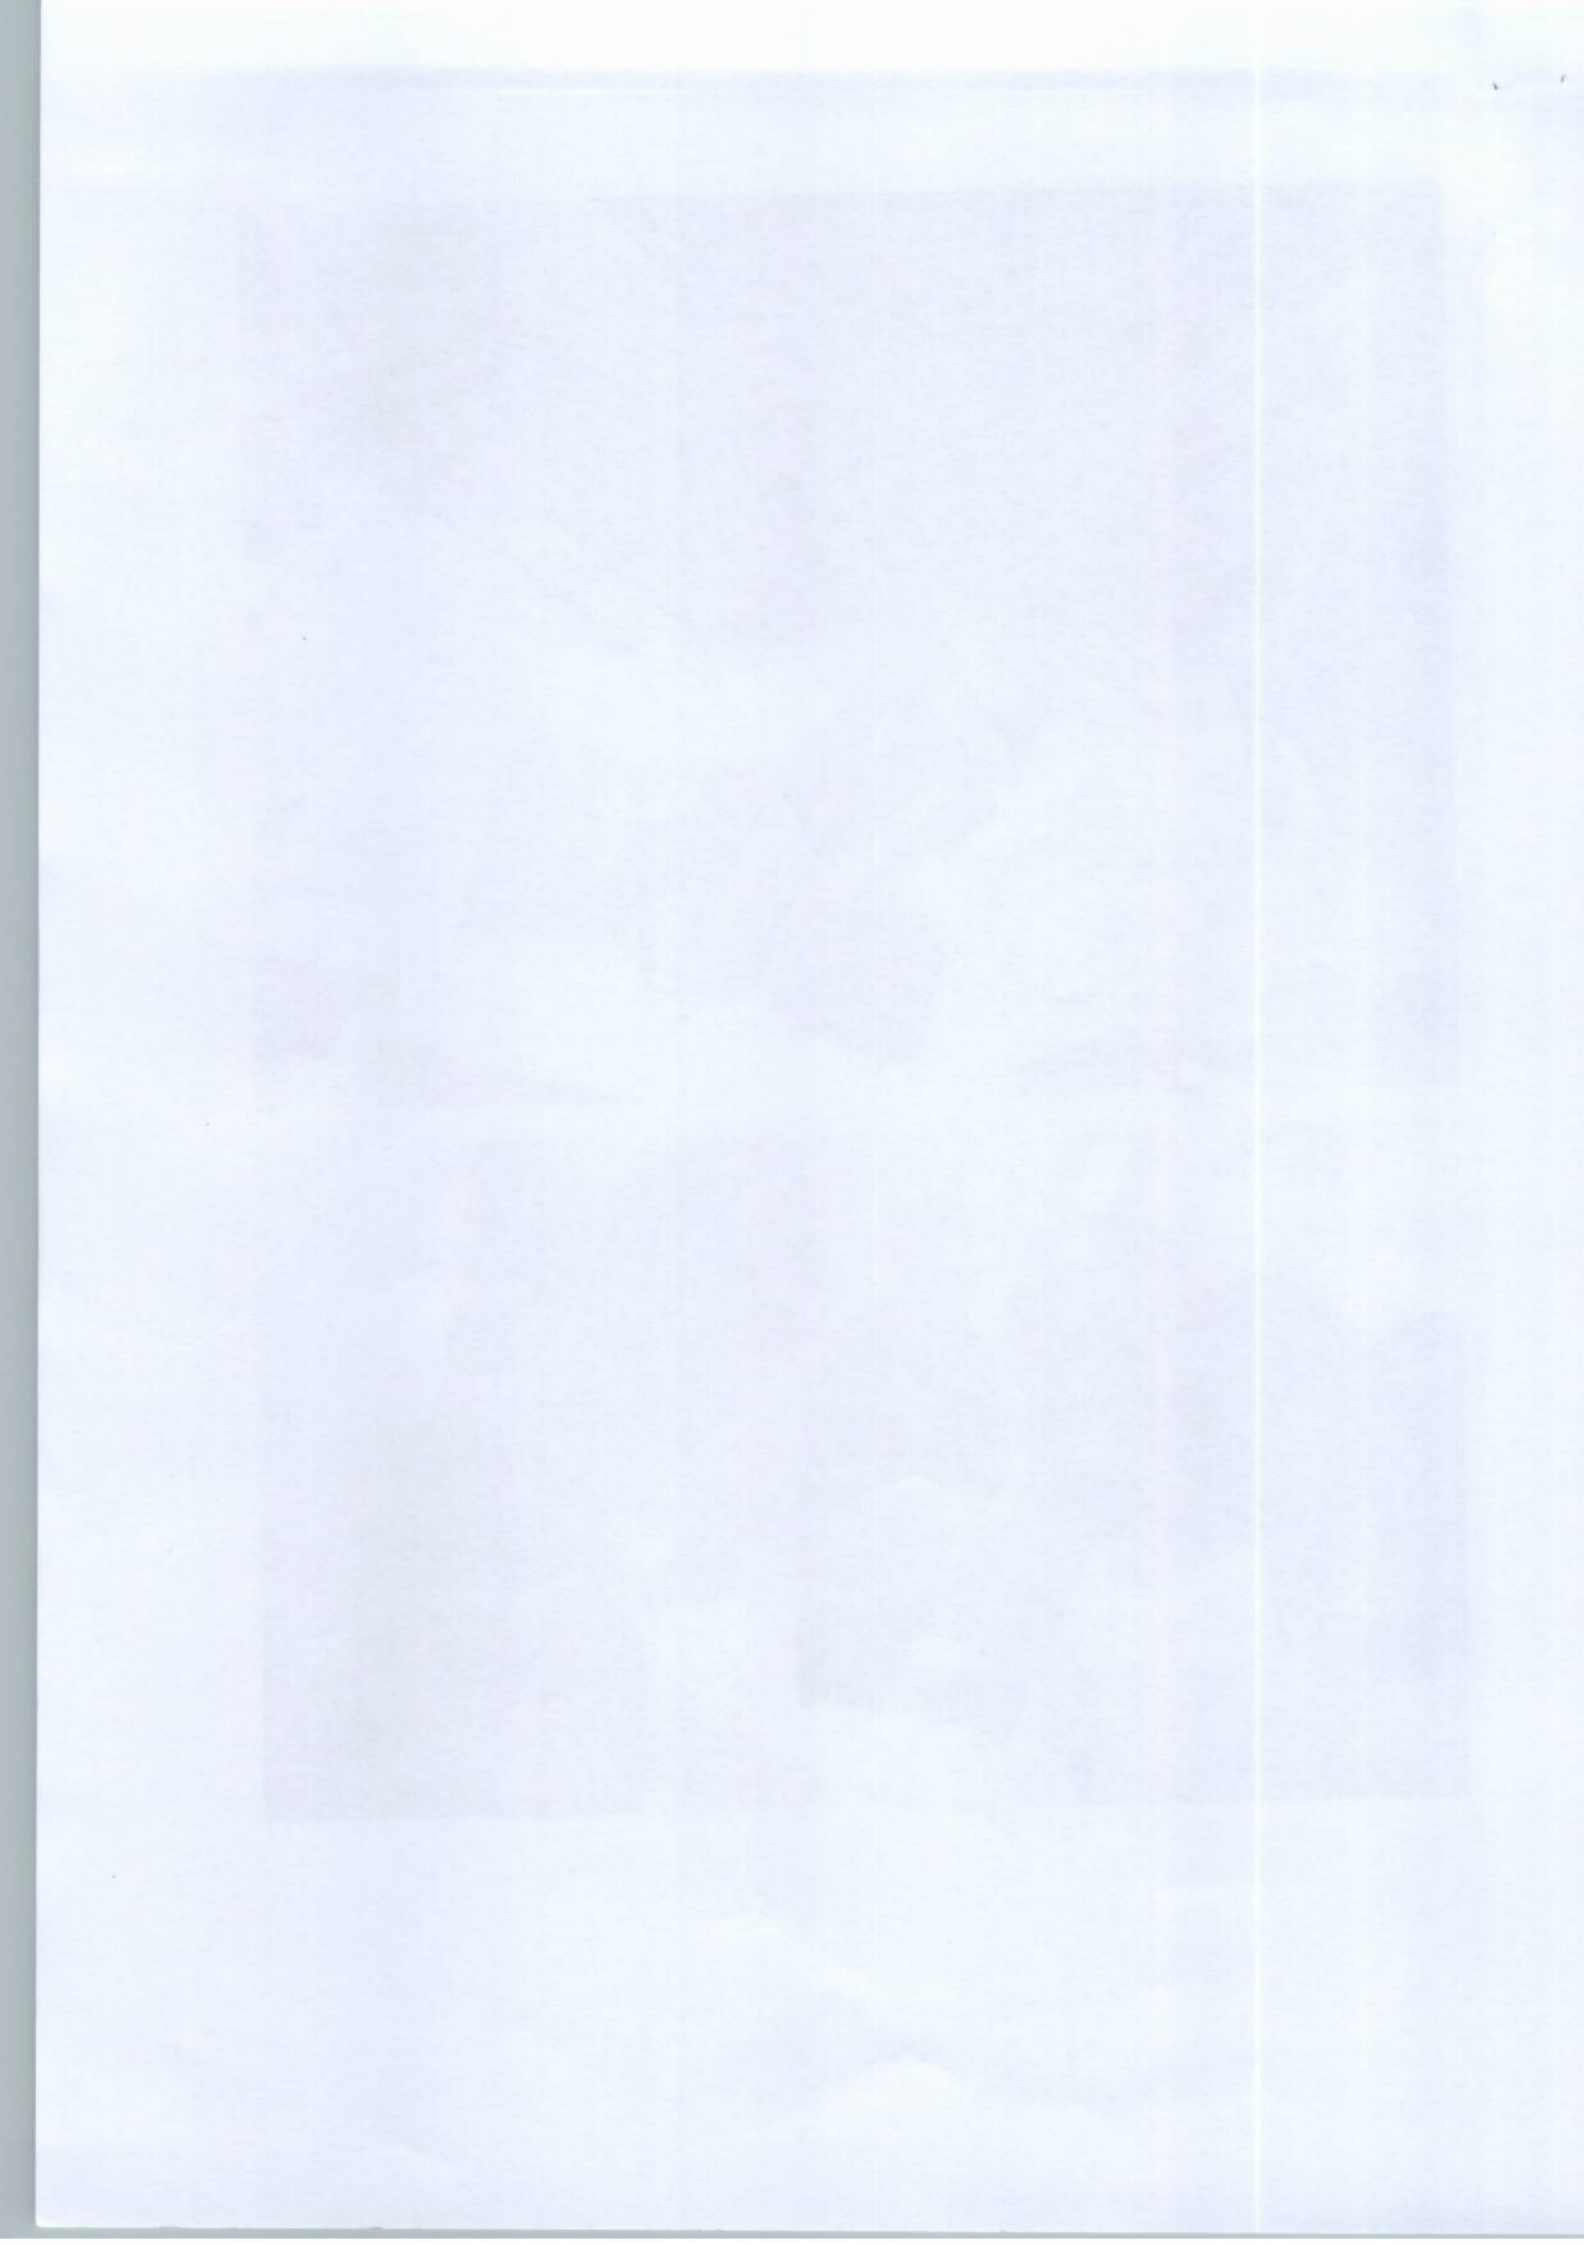

The liberation war in Vietnam was a major event in the country's history. It had a profound impact on the economic development of the country. This study aims to examine the impact of the war on the economy. It is argued that the war has had a profound effect on the country's economic structure and growth. The study is divided into three main parts. The first part discusses the economic situation in Vietnam before the war. The second part examines the impact of the war on the economy. The third part discusses the economic development of Vietnam after the war.

## 2. The Economic Situation in Vietnam Before the War

The economic situation in Vietnam before the war was characterized by a low level of economic development. The country was largely agrarian and had a small industrial sector. The economy was heavily dependent on agriculture and was vulnerable to external shocks. The study examines the economic situation in Vietnam before the war and discusses the impact of the war on the economy.

## REPORT

Department of Aeronautical Engineering, JCET was organized a demo session on ANSYS-CFD as part of Value Added Course in association with Coimbatore Cad Solutions Pvt. Ltd. on 17/03/2023. The program was arranged at Sasthra Hall, JCET and organized especially for second and third year Aeronautical Engineering students of Jawaharlal College of Engineering and Technology, Lakkidi. About 107 participants were attended the session.

Mr. Mohamed Sameer T K, Assistant Professor, Department of Aeronautical Engineering, has delivered the welcome address. He has given a brief introduction about the resource persons.

Mr. J Abdulla and Mr. Jaseem from Coimbatore Cad Solutions Pvt. Ltd. were handled the session. Mr. Jaseem had given a brief overview about Coimbatore Cad Solutions Pvt. Ltd. and various courses offered by them. Mr. J Abdulla has explained the importance and job opportunities of ANSYS-CFD software in mechanical, aeronautical and automobile sectors. He discussed about the analysis tools available in the software. He also demonstrated the
