Sl.No	Suggestions	Action taken
1.	Need to introduce smart class rooms	The classes are equipped with ICT tools
2.	Professional society activities to be encouraged	Students were made members of various professional societies like ISTE, IEEE and IEDC etc. Professional talks were conducted under these societies.
3.	Provide more training to develop interpersonal and intrapersonal skills	Aptitude and soft skill training, entrepreneurship and start up activities were conducted to improve their interpersonal skills.
4.	Students are willing to update their knowledge on recent developments.	Webinars are arranged to update their knowledge.
5.	Electives may include courses with the latest trends in the researches and industry requirements.	Add on courses and guest lectures in the relevant areas are being offered to the students.
6.	Students should be provided with course related information well in advance before the commencement of the classes.	Students are provided with course description, course overview, course outcomes and mapping of CO s and POs at the beginning of the class work.
7.	Self-learning facilities may be made available	NPTEL, SWAYAM courses are made available to the students and they are attending them.

Sl.No	Suggestions	Action taken
1.	Modifications in the evaluation methods as per the expectations of the current syllabus	Faculty members are participated in various FDPs and workshops in the relevant areas.
2.	It would be better if encouraged for knowledge up gradations	Faculty members are motivated for attending MOOC courses and research related activities.
3.	More practical orientations in teaching-learning process.	More emphasis is given to introduce application oriented teaching-learning process
4.	Number of hours to cover the syllabus may be increased.	Most of the Saturdays are converted to working days to increase the number of contact hours.
5.	Bridge the gap between industry standards and current global scenarios.	Add on courses and guest lectures in the relevant areas are being offered to the students.
