**EVENT REPORT**

Title of The Program: A class on Communicative English

Date: 08-05-2021

Resource Person: Dr. Krishna Praveen, Dept of English, JCET

Participants: 89

Description:

This class was based on real language as used day by day. The class was expressive, active and fun. The class showcased how to connect with others and how to communicate in real situations. The class involved learning from others as they shared their experience. It was theme-based, around areas of interest to learners, starting with their own names, and families and friends. It encouraged basic speaking and listening comprehension skills for clear communication.

**EVENT REPORT**

Title of The Program: Online Group Discussion

Date: 10-07-2020

Resource Person: Mrs. Rajini, Dept of English, JCET

Participants: 62

Description:

This program was organized to improve the communication skills among students. They were made aware of the importance of group discussion. Students were divided into groups and they were given a topic about which they were supposed to discuss. Then they were asked to speak about the given topic and discuss on the various aspects of the topic. An intelligent candidate with good knowledge and skills sometimes lacks communication skills, which can be a lack of confidence, hesitation in speaking, unable to explain his/her point of view, etc. The participants were given proper encouragement and all of them actively indulged in the process.

**EVENT REPORT**

Title of The Program: Speak Up

Date: 16-12-2020

Resource Person: Mrs. Rajini, Dept of English, JCET

Participants: 156

Description:

This program was conducted to improve the communication skills among students. The program encouraged students to speak out so as to reduce the stage fear among students. Many of the students who were shy and could not speak in front of an audience or address a gathering were able to do so through this program. The students were encouraged to speak about anything that comes into their mind and most of the students were able to do so confidently. The program helped many students to gather courage and speak up.

**EVENT REPORT**

Title of The Program: Comprehensive Writing

Date: 10-02-2021

Resource Person: Prof. Ravindra Varma, Dept of English, JCET

Participants: 127

Description:

This program was conducted to create knowledge about writing skills among students. Writing is more than just typing out what you think; it is also about thinking deeply about what you want to say and expressing that thoughtfully through the medium of your choice. Comprehensive writing is writing that takes all this into account. It is not only understanding the purpose of writing but also considering the audience, body, and format of the text.

Writing is a useful tool for researchers because it allows them to record their ideas and findings. Writing is also important for students to develop their skills in research and analysis techniques, as well as critical thinking and grammar. Finally, professionals need to write often (and sometimes formally) to communicate their ideas effectively.

**EVENT REPORT**

Title of The Program: LANGUAGE LAB

Date: 22-04-2021

Resource Person: Prof. Ravindra Varma, Dept of English, JCET

Participants: 148

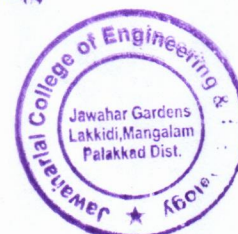

Description:

Language is a vital tool for communication. The proper learning of language helps us to develop language proficiency. English language lab has been designed to develop language proficiency, personality and self-confidence. This program was organized to give the students an introduction to language lab. The main objectives were to:

- Emphasize the need of English in technical world
- Equip the students with good communication skills
- To train students in the art of conversation and discussion
- To prepare them for interviews and future job environments.
